

Second Baccalaureate Degrees

After a baccalaureate degree conferral, a student may not request a new major or minor to be added. Students may earn a second degree by completing at least 30 additional credits in residence and by completing the requirements for a second major study in a field different from that conferred on the first baccalaureate. If there has been a change in the general degree requirements, the student must satisfy the degree requirements in effect at the time of granting the second degree.
