

Academic Resource Center

The Academic Resource Center (ARC) provides a number of services and programs to support all students at Whitman. These include services such as academic coaching and workshops on topics such as time management and note taking, and programs including peer tutoring. The College's Access and Disability Support Services are housed within the ARC and are addressed separately in the subsection below.

The ARC is overseen by the Director of Academic Support Services. The ARC team attends to all aspects of student success, including the Peer Tutoring and Academic Coaching programs, meeting with students who receive academic concern reports, and offering academic coaching and workshop sessions for individuals or groups. Additional information about the ARC is available at whit.mn/arc.
