

# Geology 120 : Geologic History of the Pacific Northwest

An examination of the geologic history of the Pacific Northwest, including Washington, Idaho, Oregon, northern California, and southern British Columbia. Fundamental geologic processes that have shaped the Pacific Northwest will be examined through detailed study of different locales in the region. Three lectures per week. Open to first- and second-year students, others by consent of instructor. Students who have received credit for Geology 110 or 125 may not receive credit for Geology 120.

**Credits** 3

**Corequisite Courses**
