

Music 145 : Songwriting

This course will provide students an interactive forum to explore the world of song craftsmanship, form and structure, lyric development, and creativity. Students will study what it takes to write a successful song by analyzing and evaluating the works of artists from today and the past. Side by side with this process, students will "model" their songs on various selected styles or procedures. Basic singing ability is a plus, but not required. Open to all students.
