

Art 130 : Beginning Ceramics

This course is an introduction to contemporary ceramic studio art practices. The course will concentrate on how to communicate concepts within widely varied ceramic processes. Emphasis will be on analysis and interpretation of these concepts within broad global, historical and current cultural contexts as well as a focus on creative problem solving skills, visual literacy, and abstract thinking abilities. We will explore a wide variety of approaches to complex spatial constructs with an emphasis on experimentation, cross-curricular and interdisciplinary thinking. Two two-hour sessions per week.
